MAYES PROPOSED AMENDMENT 1

TIME/DATE PREPARED: April 26, 2010

COMPANY: Pineview Water Company, Inc

AGENDA ITEM NO. 10

DOCKET NO. W-01676A-08-0366

OPEN MEETING DATE: 4-27-10

Page 5, line 10.5, INSERT New Finding of Fact: ““Since Pineview Water is outside of an Active Management Area, it will not be required to comply with the conservation goals and management practices of the Arizona Department of Water Resources (“ADWR”). In light of the need to conserve groundwater in Arizona, we believe it is reasonable to require Pineview Water to address conservation and submit for Commission approval, within 120 days of the effective date of this Decision, at least five Best Management Practices (“BMP’s”) (as outlined in ADWR’s Modified Non-Per Capita Conservation Program). A maximum of two of these BMP’s may come from the “Public awareness/PR or Education and Training” categories of the BMP’s. The Company may request cost recovery of actual costs associated with the BMPs implemented.”

Page 28, line 3.5, INSERT NEW ORDERING PARAGRAPH:

“IT IS FURTHER ORDERED that Pineview Water submit for Commission consideration within 120 days of the effective date of this Decision, at least five Best Management Practices (“BMPs”) (as outlined in Arizona Department of Water Resource’s Modified Non-Per Capita Conservation Program). A maximum of two of these BMPs may come from the “Public awareness/PR” or “Education and Training” categories of the BMPs. The Company may request cost recovery of actual costs associated with the BMPs implemented.”

Make all conforming changes as necessary.
