COUNTY IMPROVEMENT PROJECT AGREEMENT

for the

RE-ALIGNMENT OF A PORTION OF YAVAPAI COUNTY ROAD 71

and the

ESTABLISHMENT OF TWO PUBLIC HIGHWAY-RAIL GRADE CROSSINGS AND RAIL
OPERATIONS

BY AND BETWEEN

YAVAPAI COUNTY

AND

DRAKE CEMENT, LLC

THIS AGREEMENT is made this 19th day of April, 2010, between DRAKE CEMENT, LLC, a Delaware limited liability company ("DRAKE"), and YAVAPAI COUNTY, a political subdivision of the State of Arizona, hereinafter referred to as (the "COUNTY")(each a "Party" and collectively, the "Parties").

RECITALS:

- A. DRAKE owns a railroad switchyard and associated railroad tracks ("Drake Yard"), and an industrial spur that, upon completion, will initially solely service a cement plant on certain other Drake owned property (the "Drake Spur" and collectively with the Drake Yard, the "Property"), in the County of Yavapai, Arizona as shown on Exhibit 1.
- B. DRAKE has entered into an Operating Agreement dated January 22, 2010 with DRAKE SWITCHING COMPANY, LLC, an Arizona limited liability company ("Authorized Representative"), attached hereto as Exhibit 2, to operate the tracks and rail car activity on the Drake Property.
- C. DRAKE proposes to relocate an existing at-grade public rail grade crossing (AAR/DOT # 025751N) located at milepost 3 of Yavapai County Road 71 ("CR71") within the Drake Yard at railroad milepost 0000.72 ("**Existing Crossing**"). The relocated crossing will be located near railroad milepost 0000.75 and be assigned the same AAR/DOT# 025751N ("**Relocated Crossing**"). Construction and use of the **Relocated Crossing** will also cause the removal and permanent closure of the **Existing Crossing**. Diagrams of both the **Existing Crossing** and the **Relocated Crossing** are depicted on Exhibit 3.
- D. DRAKE also proposes to establish a new at-grade public crossing located on the Drake Spur at milepost 2 of CR71 ("**New Crossing**"). The **New Crossing** will be located near railroad milepost 0000.50 and will be assigned AAR/DOT# 932867S. A diagram of the proposed **New Crossing** is depicted on Exhibit 4.
- E. The Parties acknowledge that construction of the **Relocated Crossing** and the **New Crossing** and the closure of the **Existing Crossing** are subject to approval by the Arizona Corporation Commission ("Commission").
- F. In order to facilitate the construction, operation and maintenance of the **Relocated Crossing** and **New Crossing**, as well as the closure of the **Existing Crossing**, the Parties agree that a realignment of a portion of CR71 (the "**Road Segment**") is required in order to maximize public safety at each of the crossings. The proposed realigned **Road Segment** is shown on Exhibit 5.
- G. The Parties hereto desire to express in writing their understanding and agreement with respect to responsibilities for the construction, operation and maintenance of the **Relocated Crossing** and **New Crossing**, and the permanent closure of the **Existing Crossing** as well as the construction and subsequent dedication of the **Road Segment** (collectively, the "PROJECT").

- H. All numbered exhibits are incorporated and made a part of this AGREEMENT by reference and attachment regardless of designation or alphabetical order.

- D. PROJECT means all work of every kind and character required in connection with all construction and/or closure (as appropriate) of the realigned **Road Segment** and the **CROSSINGS**. The PROJECT includes, but is not limited to, the construction of any and all roadway improvements, installation of railroad safety devices and appurtenances, communication lines, signal and electrical lines and appurtenances, grading, both temporary and permanent drainage facilities, irrigation facilities, signing and striping, modification to utilities, right of way acquisition, preliminary and construction engineering, contract preparation, cuts, fills, highway pavement, retaining walls and all highway facilities at the locations shown on PROJECT PLANS and specifications included herein by reference only.
- E. PROJECT COSTS means the actual fees and costs for the entire PROJECT, which shall be the responsibility of DRAKE.
- F. STAFF means the staff of the Commission's Railroad Safety Division.

- F. WORK means any work to be performed by DRAKE or its contractors or agents, in accordance with the PLANS. WORK shall include engineering, design, management, administration, design, and construction labor, including approved changes in scope.

ARTICLE II - DRAKE OBLIGATIONS

- A. DRAKE shall, in cooperation with both the COUNTY and STAFF, design all phases of the PROJECT in compliance with all applicable federal, state and local rules and regulations governing the subject matter of this AGREEMENT.
- B. DRAKE shall promptly provide COUNTY and STAFF the opportunity to review and comment on progress copies of the design plans at the 95% completion stages, along with a copy of the final PLAN submittal. Submittal to the COUNTY shall be for purposes of consistency with adopted road design and construction specifications and to STAFF for review of safety issues related to the CROSSINGS. Upon receipt of the final plan submittal, COUNTY shall signify by letter addressed to DRAKE its full approval of the design PLANS.
- C. DRAKE shall complete the WORK, at its own expense, which shall include:
1. the design and construction of the **Relocated Crossing**;
 2. the design and construction of the **New Crossing**;
 3. the removal and closure of the **Existing Crossing**;

The right of way dedication map is attached hereto as Exhibit 6. Upon completion of the dedication and assignment of authorization for the federal lands, DRAKE shall have no further responsibility for maintenance or repair of the **Road Segment**, as more specifically set forth in Article V, Section H.
- E. DRAKE shall secure all required permits, easements and right-of-ways necessary to complete the PROJECT in accordance with the PLANS.
- F. DRAKE shall file an application with the Commission for an order authorizing construction of the **New Crossing** in accordance with this AGREEMENT. Due to the need for DRAKE to commence cement plant operations by March 2010, it is anticipated

that DRAKE's **New Crossing** application shall be filed separately and prior to COUNTY's application requirements set forth in Article III.C.

ARTICLE III-COUNTY OBLIGATIONS

- A. COUNTY shall timely provide DRAKE comments on the design plans at the 95% completion stage along with a copy of the final Plan submittal. A copy of the final PLANS shall be adopted and incorporated into this AGREEMENT by reference, and attached hereto as Exhibit 7.

- D. COUNTY will provide DRAKE, upon request, access to information in its possession related to the location of any underground utility facilities in the right of way that are affected by the PROJECT. DRAKE agrees to coordinate with the COUNTY and any applicable public or private utility company and to be solely responsible for identifying and locating utility facilities. DRAKE shall further be responsible for the cost of relocating any wire lines, pipe lines and other utility facilities during the course of constructing the PROJECT..
- E. DRAKE shall, when appropriate, submit a traffic control plan to the COUNTY for approval. Upon approval by COUNTY, DRAKE shall be responsible for implementing the traffic control plan, including paying all costs thereof.

Each portion shall be promptly commenced by the Parties hereto obligated to do the same and thereafter diligently prosecuted to conclusion in its logical order and sequence. Furthermore, any changes, or modifications during construction that affect the WORK obligated by DRAKE shall be agreed to by both Parties, and in conjunction with STAFF with respect to the CROSSINGS.
- B. The WORK as defined in the PLANS concerning the CROSSINGS, is subject to the Commission's approval, with minimum clearances of not less than those specified by the Commission, or as otherwise authorized by the Commission for DRAKE's tracks at this location.
- C. If COUNTY shall deem it necessary or desirable, in the future, due to traffic conditions or maintenance concerns, to alter or reconstruct the **Road Segment** or CROSSINGS herein contemplated, it may do so, the cost of which shall be paid by COUNTY. If further encroachment upon DRAKE'S property will result, then COUNTY, prior to

commencing any such alteration or reconstruction work, shall submit revised plans for review to DRAKE. In addition, prior to acquiring the desired property or altering or reconstructing the Road Segment or CROSSINGS, COUNTY shall consult with Drake and consider the execution of an addendum to this AGREEMENT or the completion of a separate agreement, related to the proposed alteration or reconstruction.. This AGREEMENT, including any schedules, exhibits or attachments hereto, constitutes the entire agreement between the Parties, and no understanding or obligation not expressly set forth herein shall be binding upon them. No modification, amendment or alteration of this AGREEMENT shall be valid unless it is in writing and signed by both parties.
- E. This AGREEMENT shall be governed by the laws of the State of Arizona, unless such laws are otherwise preempted by Federal statutes, rules and/or regulations.
- E. The waiver by either party of any breach or failure to provide full performance under any of the terms or conditions of this AGREEMENT shall not be construed as a waiver of any other term or condition, or of any subsequent breach of the same or any other term or condition.

(l) To do and perform all other lawful acts as may be necessary or appropriate to the conduct of the Company's business.

All elections permitted to be made by the Company under federal, state or local law will be made by the Member in its sole discretion.

3.7 **EXCULPATION OF MEMBER.** Any act or the failure to do any act by the Member, or any shareholder, director, officer or employee of the Member (collectively the "Indemnified Parties"), the effect of which results in loss or damage to the Company, will not give rise to any liability to the Member or the Indemnified Parties, if such act or failure to act is done in good faith to promote the best interest of the Company or is done pursuant to advice of independent legal counsel, accountants or other experts selected, engaged or retained by the Member with reasonable care. The preceding sentence will not relieve any person of liability for gross negligence, bad faith, dishonesty or misappropriation of Company assets.

3.8 **INDEMNIFICATION OF MEMBER; INSURANCE.** The Company will, solely from Company assets, indemnify and hold the Member and the Indemnified Parties harmless from and against any loss, cost, damage, liability, injury or expense (including but not limited to attorneys' fees and disbursements) suffered or sustained by the Member and the

The Company will also have the power to purchase and maintain insurance on behalf of the Member and the Indemnified Parties against any liability asserted against the Member and the Indemnified Parties and incurred by the Member and the Indemnified Parties in any such capacity or arising out of their status as a Member or an Indemnified Party, whether or not the Company would have the power to indemnify the Member or the Indemnified Party against such liability under the provisions of this Section 3.8 or applicable law.

ARTICLE 4

DISTRIBUTIONS AND TAX CLASSIFICATION

5.1 **DISTRIBUTIONS PRIOR TO LIQUIDATION.** Prior to the dissolution of the Company and the commencement of the liquidation of its assets and winding up of its affairs, the Member, promptly following the end of its fiscal year and at such other times as it may deem appropriate, will determine and distribute the Company's "net available cash flow" to the Member. For purposes of this Agreement, "net available cash flow" means the excess of gross cash receipts (exclusive of initial and additional capital contributions and, except to the extent the Member determines otherwise, proceeds received from any borrowings by the Company) over cash disbursements, without deduction for depreciation, cost recovery deductions and other non-cash charges, for (a) all operating costs, (b) all principal and interest payments on debts (including payments of Member loans), (c) all asset acquisition costs and

capital costs necessary for the maintenance, repair and improvement of the Company's assets, and (d) reasonable reserves, as determined by the Member.

5.2 DISTRIBUTIONS IN LIQUIDATION. Following the dissolution of the Company and the commencement of winding up and the liquidation of its assets, all distributions to the Member will be governed by Article 7.

5.3 TAX CLASSIFICATION. Solely for federal, state and local income tax purposes, as long as the Member is the sole member of the Company, the Member intends that the Company be treated either as a branch or division of the Member or disregarded. The Member will file all necessary or appropriate forms in accordance with such tax classification.

ARTICLE 6

ADMISSIONS

No person will be admitted as a member of the Company after the date of formation of the Company without the written consent or approval of the Member. Upon admission, the members will amend this Agreement to reflect the admission of the new member.

ARTICLE 7

DISSOLUTION AND TERMINATION

7.1 DISSOLUTION. The Company will dissolve upon the first to occur of any of the following events:

- (a) The written election of the Member any time; or
- (b) The entry of a decree of dissolution under Section 29-785 of the Act.

Unless otherwise required by the Act, the occurrence of an event of withdrawal (as defined in Section 29-733 of the Act) with respect to the Member will not cause a dissolution of the Company.

7.2 NOTICE OF WINDING UP. Promptly following the dissolution of the Company, the Member will cause a Notice of Winding Up to be filed with the Arizona Corporation Commission in accordance with the Act.

7.3 LIQUIDATION, WINDING UP AND DISTRIBUTION OF ASSETS. Following an event that causes a dissolution of the Company, the Member will proceed to liquidate the Company's assets and properties, discharge the Company's obligations, and wind up the Company's business and affairs as promptly as is consistent with obtaining the fair value of the Company's assets and properties. The proceeds of liquidation of the Company's assets, to the extent sufficient therefor, will be applied and distributed as follows:

(a) First, to the payment and discharge of all of the Company's debts and liabilities except those owing to the Member or to the establishment of any reasonable reserves for contingent or unliquidated debts and liabilities;

(b) Second, to the payment of any debts and liabilities owing to the Member; and

(c) Third, to the Member.

Notwithstanding anything in this Section 7.3 to the contrary, in lieu of liquidating all of the Company's assets and properties, the Member may make in-kind liquidating distributions of the Company's assets and properties in satisfaction of its liquidation priorities set forth in Sections 7.3(b) and 7.3(c).

7.4 DEFICIT CAPITAL ACCOUNT. Except as otherwise required by the Act, the Member will have no obligation to contribute or advance any funds or other property to the Company by reason of the fact that the Company's assets and properties are not sufficient to pay all of the Company's debts and obligations upon completion of winding up or at any other time.

7.5 ARTICLES OF TERMINATION. When all of the remaining property and assets have been applied and distributed in accordance with Section 7.3, the Member will cause Articles of Termination to be executed and filed with the Arizona Corporation Commission in accordance with the Act.

ARTICLE 8
