TO FUND THE CONSTRUCTION OF

DOCKET NO. E-01787A-05-0719

PROCEDURAL ORDER GRANTING
INTERVENTION

On May 5, 2006, in Decision No. 68691, the Arizona Corporation Commission (“Commission”) granted Navopache Electric Cooperative, Inc., an Arizona non-profit corporation (“Navopache”), authority to borrow funds from the Rural Utilities Service Guaranteed Federal Financing Bank to finance plant construction according to Navopache’s construction work plan for 2005-2008 (“Work Plan”).

On April 8, 2010, IBEW Local 387 (“Local 387”) filed an Application to Intervene in this docket.

On April 14, 2010, Navopache filed in this docket a Notice of Amendment to 2005-2010 Work Plan to provide supplemental information regarding the amendment made to Navopache’s Rural Utility Service (“RUS”) approved Work Plan for the period 2005-2009.

On April 16, 2010, Navopache filed a Response to Local 387’s Application to Intervene. Navopache opposes Local 387’s intervention. Navopache argued that the request was untimely filed and inappropriate because no additional borrowing is being requested and no additional loan documentation must be executed.

On April 22, 2010, Local 387 filed a Reply in Support of Application to Intervene. Local 387 argued that Navopache’s April 14, 2010 filing indicates that it plans to use the loan proceeds for purposes “other than that specifically delineated in its original application” in this docket.

Local 387’s intervention request is reasonable and should be granted.

IT IS THEREFORE ORDERED that IBEW Local 387 is hereby granted intervention.

DATED this 5th day of May, 2010.
