Dear Sir:

We want to notify you right away about some important changes to your Verizon service for telephone number(s):

On or after July 1, 2010, Verizon and Verizon Long Distance /Verizon Enterprise Solutions will discontinue providing Verizon Calling Card services. Verizon Calling Cards permit customers to charge calls to their Verizon account through a toll free number. As of July 1, 2010, calls will no longer be completed using Verizon Calling Cards in any of the fifty states and the District of Columbia. Effective immediately, changes to your account may deactivate Verizon Calling Cards.

We apologize for any inconvenience this may cause. If you have additional questions, please call the business office number listed on your Verizon bill.

Sincerely,

A handwritten signature in black ink that reads "David Frendo".

David Frendo

If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Verizon Long Distance LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
