Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Competitive Exchange and Network Services Price Cap Tariff No. 2.

These revisions introduce a new discount plan for business customers and will grandfather the current Qwest® Line Volume Advantage® (QLVA) plan. The new Qwest® Business Line Plan (QLVP) provides customers more rate stabilization and predictability when they enter into a term agreement. The new rates will be derived by applying discounts to current monthly rates for the qualifying products. Discounts will be adjusted to keep the overall rate unchanged if the qualifying product rates change. In addition, the lowest tier for the discount plan will start at 10 business lines to allow more customers to enter into term agreements. Current customers on Qwest® Line Volume Advantage® may move to the new Qwest Line Volume Plan or remain on their existing plan and renew one-time after the expiration of their plan.

QC respectfully requests that these proposed changes become effective June 4, 2010.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,

Dawn Salaver

2. Line Volume Plan may be offered to business customers who are contemplating establishing service with another telecommunications service provider or, business customers currently receiving their service from another telecommunications service provider.
3. Line Volume Plan defines qualifying products as the following:
 - Flat Rate Business Lines (1FB) with Hunting
 - *QWEST CHOICE* Business (PGOQL)

B. Terms and Conditions (Cont'd)

4. Additional business lines may be added, but will not affect the monthly discount level.
5. If Qwest terminates the Service(s) for Cause, or if a customer terminates the Services(s) in whole without Cause before the expiration date, the customer will pay termination charges of \$15.00 per line of the customer's Minimum Line Requirement times the remaining number of months left on the Term. For example: a customer terminating all service with 3 months remaining on the Term and a Minimum Line Requirement of 50 lines will pay $\$15.00 \times 50 \times 3 = \$2,250.00$

Annually, if an account falls below the Minimum Line Requirement for the discount tier, the customer will pay a shortfall penalty of \$60.00 for each line below the Minimum Line Requirement.

A termination charge will be waived if the customer replaces the service within the Qwest region with similar Qwest contracted services equal to, or greater than, the remaining value of the commitment.

Termination charge will be waived for customers with a Qwest Line Volume Advantage or *QWEST CHOICE* Business term agreement as long as the new Line Volume Plan agreement includes the same or greater number of lines for the same or greater term than their existing agreement.

6. The customer may move all or part of the lines in Line Volume Plan to another Company location within the Qwest 14 state region, or change qualifying products, as long as the customer maintains the minimum line requirement.
7. The Company may vary Line Volume Plan terms and conditions, excluding discount levels, to meet a specific customer's request provided the changes are mutually agreed upon by the customer and the Company.
8. This discount plan may not be combined with any other discount plan and will not be available to customers receiving competitive response offers until the terms of those offers have been satisfied.
