T-01051B-10-0165

Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Competitive Exchange and Network Services Price Cap Tariff No. 2.

These revisions introduce a new business offering called Core Connect™ 1 and move the Purchase Plus Reward (PPR) Plan to a new section of the tariff that will include Qwest's discount plans. There are no other changes to Purchase Plus Reward

Core Connect™ 1 is an offer that allows small business customers the opportunity to receive a discounted rate for purchasing a combination of the local voice package, Qwest Choice® Business Plus, in conjunction with Unlimited Long Distance and Qwest High Speed Internet with Core Service Pack. Business customers may choose to purchase the offering on a month to month basis or may enter into 1, 2 or 3 year term agreements. In addition, customers may add up to nine (9) Unlimited Voice Lines which include Unlimited Long Distance at a reduced rate as long as they subscribe to at least one (1) Core Connect 1 bundle.

QC respectfully requests that these proposed changes become effective June 19, 2010.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,

Dawn Salaver
