Docket No W-02467A-09-0333 / 0334

4/28/10

Dear Commissioners,

I do not have the resources to impede these actions as the hearings are held during the week. Therefore, I am "only" providing a public comment on this matter hoping that the commission will decide on the fair thing. Once again, in light of the present economy and the possible passage of proposition 100, which will increase taxes, is increasing our fees at this time a wise thing to Do?
