Subject: Arizona American Water Company

Dear Commisioners:

I am writing to you all in reference to the rate consolidation case currently before you for Arizona American Water Company of which I am a customer 'times 2". I have a home in Tubac in which my husband and I reside and also a rental property,also in Tubac. The rental market, as with the sales market, has dropped dramatically here. We have a small customer base here for Arizona American Water Company.

My husband Tom and I believe that uniform rates would be more equitable and would ultimately benefit all of Arizona American's customers. Even more importantly, as we are a small system here in Tubac, rates would decrease because they would be averaged across a much larger customer base. Consolidation is in the best interests of our little town.

Tom and I ask that you all vote in favor for consolidation and for uniform rates in this case.

Thank you for your kind consideration in this matter.
