Subject: STOP THE WATER AND WASTE WATER INCREASE IN SUN CITY!!!!!!!!!!!!
W-01303A-09-0343 and SW-01303A-09-0343

I am a registered voter living in Sun City, and I am protesting the proposed rate increase in water and waste water in Sun City! Those of us who live in Sun City, for the most part, are on a very limited and fixed income, and have no way of getting any additional income!!! This increase will force many of the residents to skip buying needed medicines and groceries which as I am sure if you are thinking clearly at all, you know this is not a good thing!! I truly cannot believe anyone with any common sense and a heart would even think of proposing such a devastating increase. There have been increases in everything but the rates on CD's and IRA's, which to us equates as a loss in income. We did not receive an increase in Social Security this year either! Where would you like us to get the money for all these increases? I would hope that by now you have figured out there is not such thing as a money tree!!! PLEASE DO NOT DO THIS TO THE PEOPLE OF SUN CITY!!!!!!

I CERTAINLY INTEND TO SHOW MY SATISFACTION OR DISSATISFACTION WITH THE WAY THIS IS HANDLED AT THE POLES!!!!!!!!!!!!

Thank you for your understanding and help in this matter,

Nancy Fitzpatrick
