AZ CORP COMMISSION DOCUMENT CONTROL

IN THE MATTER OF QWEST  
CORPORATION'S COMPLIANCE WITH §  
271 OF THE TELECOMMUNICATIONS  
ACT OF 1996

DOCKET NO. T-00000B-97-0238

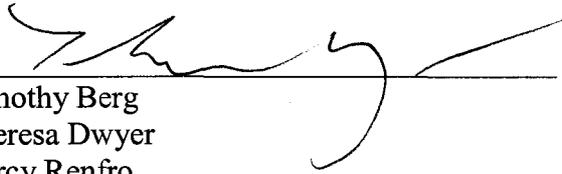

**QWEST'S CORRECTED QUARTERLY REPORT ON RESOLD LINE  
SPLITTING AND EEL SPLITTING IN CONFORMANCE WITH  
COMMISSION ORDER**

In the Arizona Corporation Commission's (ACC's) NID and Line Splitting Decision, the ACC ordered Qwest to revise SGAT § 9.24.1.1 to include a provision that "Qwest shall report the level of region-wide demand by state for resold line splitting and EEL line splitting on a quarterly basis to the Commission staff and interested CLECs." See Decision No. 64880, page 6, ¶ 29. In compliance with this Order, Qwest included the SGAT language in its May 31, 2002 SGAT filing. The information contained in the First Quarter report filed March 28, 2003 inadvertently contained order activity for Line Splitting through February 2003. Qwest now files a corrected report to the March 28, 2003 information.

Through the First Quarter 2003, Qwest had 176 line splitting arrangements with one CLEC in Minnesota, and one line splitting arrangement with one CLEC in Colorado. Qwest

does not have any installations or requests to install EEL splitting anywhere in its 14-state region. As stated the last two quarters, Qwest also made inquiries of the CLEC community in the Change Management Process (CMP) in order to discern CLEC interest in modifying Qwest's systems to support line splitting. In CMP, CLECs ranked their level of interest in this proposed systems change as 45<sup>th</sup> in level of importance out of a possible 50 items. Since then, Qwest is starting to see order activity for Line Splitting. As a result, on a going forward basis, Qwest will be filing the Quarterly Report 30 days after the end of the quarter in order to track the Line Splitting activity.

Respectfully submitted this 30<sup>th</sup> day of June 2003:
