**PUBLIC NOTICE OF
PUBLIC COMMENT MEETING ON THE APPLICATION OF
RIO RICO UTILITIES, INC.
FOR A RATE INCREASE FOR WATER SERVICE
AND RATE DECREASE FOR WASTEWATER SERVICE
(DOCKET NO. WS-02676A-09-0257)**

Summary

On May 22, 2009, Rio Rico Utilities, Inc. ("RRUI" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for an increase in revenues for its water service and a decrease for its wastewater service in the above-captioned docket. The Commission held an evidentiary hearing in this matter on March 10, 2010, at its offices in Tucson, Arizona.

Water Service

RRUI is requesting an increase in its water utility revenues of \$1,805,628, an increase of 97.7 percent. **If its proposal for its rates were to be adopted by the Commission in its entirety, the Company estimates that a residential customer using an average 8,548 gallons per month would experience an increase of \$22.23, from \$19.94 under current rates, to \$42.17 under the proposed rates.** This example is

1 for illustrative purposes only, and the actual dollar and percentage changes for
 2 individual customers would vary depending on the type of customer served, and the
 3 quantity consumed for water service.

4 The Residential Utility Consumer Office ("RUCO") is recommending an increase of
 5 water division revenues of \$957,929, or a 51.7 percent increase. RUCO's proposed
 6 water division rates would increase the average residential bill by \$14.49, or 72.7
 7 percent, from \$19.94 to \$34.94.

8 The Commission's Utilities Division Staff is recommending an increase in water
 9 division revenues of \$1,345,120, or 72.8 percent. Staff's proposal would result in a
 10 monthly increase of \$13.39, or 67.2 percent, from \$19.94 to \$33.33, for the average
 11 residential customer.

12 Wastewater Service

13 RRUI is requesting a decrease in wastewater utility revenues of \$139,208, a decrease
 14 of 7.61 percent. **RRUI is proposing to decrease the single family residential flat rat
 15 by \$2.71, from \$56.36 to \$53.65.** RRUI also seeks to decrease its commercial and
 16 multi-family tenant rates.

17 RUCO is recommending a decrease in wastewater rates of \$493,946, or 26.9 percent.
 18 Under RUCO's proposal the single family monthly residential rate would decline from
 19 \$53.36 to \$40.84, or \$12.81.

20 The Commission's Utilities Division Staff is recommending a decrease in the
 21 wastewater division revenues of \$302,902, or 16.5 percent. Under Staff's proposal the
 22 monthly residential wastewater bill would decline by \$6.62, from \$53.65 to \$47.03.

23 The Commission will determine the appropriate rate relief to be granted based on the
 24 evidence of record in this proceeding, and is not bound by the proposals made by the
 25 Company, Staff, or RUCO. Therefore, the final rates approved in this docket may be
 26 lower or higher than the rates described above.
