Docket # W-01303A-09-0343  
Docket # SW-01303A-09-0343

I am:  
a retired widow, on a limited income, 80 years of age. I was under the impression that the Sun City community was started to help those elderly persons who wanted a good, but low cost of living for the rest of their days.

I am sending this to protest the, talked about rate increase on water and sewer for Sun City Homeowners.

Sincerely

Mary Ann Thilgen
