RE: **STAFF UPDATE - IN THE MATTER OF THE APPLICATION OF MIDVALE TELEPHONE EXCHANGE FOR APPROVAL OF AN AMENDMENT TO ITS EXTENSION OF THEIR CERTIFICATE OF CONVENIENCE AND NECESSITY (DOCKET NO. T-02532A-08-0542)**

On October 17, 2008, Midvale Telephone Exchange, Inc. ("Midvale") filed an application with the Arizona Corporation Commission ("Commission") for approval to amend its Certificate of Convenience and Necessity ("CC&N") to include customer locations within Qwest Communications Corporation's ("QCC") service area. Midvale's application seeks Commission authorization to provide facilities-based local exchange and toll telecommunications services to two currently unserved customers in QCC' service area located in Yavapai County immediately contiguous to the Long Meadows portion of Midvale's Mile Site Exchange ("extension area").

On November 12, 2008, Qwest Corporation ("Qwest") filed a notice indicating that it had accepted service of process of Midvale's application, as it is Qwest rather than QCC that provides local exchange telecommunications services in the extension area. Qwest requested that the service list for this matter be revised to include Qwest and remove QCC. On November 14, 2008, Staff sent a letter of Insufficiency and its First Data Request to Midvale.

On May 7, 2010 the Administrative Law Judge issued a Procedural Order which stated that Staff shall file an update on Midvale's application with any appropriate recommendation by June 7, 2010. On May 12, 2010, Midvale filed an amended application. In the amendment, Midvale indicates changes in the description of the area to be transferred from Qwest to Midvale and provides an update to the Loop/Line counts.

Staff is reviewing Midvale's application and will process it.
