**SECTION 6 -OBSOLETE SERVICE OFFERINGS, (Cont'd.)**

**6.5 SimpleOptions**

Effective 11/8/09, SimpleOptions calling plan is grandfathered and no longer available to new Customers. No moves, changes or additions will be allowed for existing Customers.

SimpleOptions is an optional calling plan offered to Business Customers for outbound direct dialed calling from presubscribed switched or dedicated Access Lines at rates which are dependent on the Customer's monthly usage guarantee (MUG) level. Inbound (toll free) calling is also available for termination on switched or dedicated Access Lines. Operator assisted calling is also available under this plan. Customers may select a one or three year term commitment in order to obtain lower rates.

This plan is an add-on service to the interstate SimpleOptions Plan. See [www.verizonldregulatory.com](http://www.verizonldregulatory.com).

**6.5.1 Billing Increments**

The billing increment and minimum call duration of each call is determined by the access method selected by the Customer and the call type. Partial increments are rounded to the next increment.

Access Type/Call Type	Initial Increment	Additional Increment
Switched Access	18 seconds	6 seconds
Dedicated Access	6 seconds	6 seconds
Operator Assisted	60 seconds	60 seconds

**6.5.2 Monthly Usage Guarantee**

All intrastate, interstate and international usage charges and applicable surcharges billed to the Customer under this plan contribute towards meeting the monthly usage guarantee. In addition, Conference Connections audioconferencing usage, Private Line and Data Services usage, feature charges, directory assistance charges, operator usage and surcharges, and monthly recurring charges are contributory to the monthly usage guarantee. Taxes, presubscribed line charges, carrier universal service charges, pay telephone use charges and other similar fees are not contributory. Customers whose total monthly long distance usage charges do not meet their subscribed Monthly Usage Guarantee level will be assessed the difference between their total long distance usage charges and their subscribed Monthly Usage Guarantee level.
