RE: ADEQ Compliance Status Report  
W-02105A-07-0510 Decision 70837

Here is the ADEQ compliance report due for the month of May. Some small and ongoing issues were addressed last month. We are currently in compliance with ADEQ. We have installed 13 new meters in an ongoing basis to reduce our water loss per the directives of ADEQ and the ACC. We have installed bars over the windows at the tank buildings to increase security. This was not listed specifically on our ADEQ Inspection Report, but was verbally suggested during the site visit.

Any additional information you need, please contact me anytime, 928-715-6422.

Thank you very much,

L. Tim Clark  
Field Manager  
Mt. Tipton Water Company
