Dear Mr. Froetscher:

Please be advised that we represent Mr. and Mrs. George Bien-Willner as well as the APS customers receiving electric power service through the above-referenced accounts with regard to multiple ongoing disputes with APS. To date, certain of these customers and the Arizona Corporation Commission have invested substantial time, effort and funds (some of it being taxpayer funds) addressing these multiple disputes without success. Prior to initiating further formal complaints with the Arizona Corporation Commission and costly litigation, it would be in the best interest of all parties concerned to engage in an informal meeting to address these issues.

Accordingly, this correspondence constitutes the specific request of the above-referenced individuals and entities for the aforesaid informal meeting. Please contact me as soon as possible so that we may schedule a convenient date, time and place for a meeting with appropriate representatives of APS. We are hoping for your prompt response.

Very truly yours,

  
David A. Rubin
