Subject: ACC Docket #W-02195B-10-0146

I served on the Board of Directors not long after the Dude Fire and I was there when the Homeowners Association was chartered through the Corporation Commission. We had to legally own Bonita Water and this was the quickest method to form a Homeowners Association.

My entire family worked on the water company after the fire to help rebuild it, to help read water meters and to send out the bills and I have always considered it to be a community asset.

I oppose the transfer of assets of the Bonita Water Company. The water company truly should remain with the people who are its customers.

Both my husband and I would be happy to serve on a Board if necessary.

Thank you.
