MAINTENANCE SUMMARY

Meters which require minor maintenance (seals, water column adjustment, etc.) are done by Copper Market gas utilities personnel. Meters with major malfunctions are replaced. Copper Market, Inc. is now replacing meters, because of their age, in lieu of testing. This program will continue until all old meters are completely replaced. Meters are given a visual inspection once each month by the meter reader during the monthly reading period. Any discrepancies are reported to maintenance for corrective action.

Sincerely,

William Taylor
Utilities Supervisor
