DOCKETED BY

# **EXHIBIT 1**

Company: Wickenburg Ranch Water, LLC

Decision No: 71501

Phone: 602-386-1317

Effective Date: March 17, 2010

**NEW HOMEOWNER LANDSCAPE INFORMATION TARIFF**  
**RAINWATER CATCHMENTS**

**PURPOSE**

The purpose of this tariff is to enable Wickenburg Ranch Water, LLC (“Company”) to promote the conservation of groundwater by making available educational pamphlets regarding how to implement a rainwater catchment system to all new customers within the Company’s service area.

**NEW HOMEOWNER LANDSCAPE INFORMATION MEASURES**

In accordance with the Arizona Corporation Commission (“ACC”) Decision No. 71501, the Company is required to adopt and implement water conservation measures described in the paragraph above. In support of the Company’s water conservation goals and the ACC decision, the Company will make educational pamphlets regarding how to implement a rainwater catchment system available to all new customers, either through direct distribution (mail or delivery) or through delivery by the home builder. The Company will also notify new owners of existing homes (resale) that information on rainwater catchment systems is available and will provide such information on request.

**REQUIREMENT**

The requirements of this tariff are governed by the ACC rules and the Arizona Department of Water Resources’ Required Public Education Program and Best Management Practices in the Modified Non-Per Capita Conservation Program from the May 2008 Modifications to Chapter 5, Municipal Conservation Program, Third Management Plan, Appendix 5-N, Water Conservation Measures.

The Company shall provide to its customers a complete copy of this tariff and the then-current information on potential rainwater catchment systems that could be installed by the customer. The customer shall be required to review the landscape information provided by the Company.
