To the Arizona Corporation Commission

COMMISSIONERS

Christina L. Damitio stands on previously submitted notices and hereby states that Christina L. Damitio has never sold any securities, registered or unregistered. No documentation of sales was ever provide in the late partial discovery nor was the original accuser ever disclosed. This hearing is intent on ruining me and my lively hood. And it is a direct violation of my individual, constitutional, and human rights. I therefore stand on the previously submitted dismissal order requested.

By-cause;

The combined acts of violation of the Commission's own orders and rules that have been cited and submitted to the Commission, the bogus complaint DOCKET NO. S-20714A-09-0553 is asked to be dismissed.

DOCKET NO. S-20714A-09-0553

Misapplication of a statute or regulation is unconstitutional and is not entitled to force of law;

Involuntary servitude is prohibited in this State;

Profiling because of acquaintance to another individual is a violation of individual, human, and constitutional rights:

No regulations or rules have been violated by Christina L. Damitio

No controversy exists.

With no controversy, the State is without interest.

When the State has no interest, the State has no standing.

No documents have been produced to prove violations exist.

Full discovery has not been given by the Corporation Commission and partial discovery was late and was lied about.

One cannot answer ghost fabrications or secrets or lies without discovery or presentation.

A false fairy-tale complaint (and from a unknown who) is not entitled to enforcement under law.

Witness tampering and intimidation is a criminal offense.

Character assassination by Arizona investigator(s), other States agent(s), and Federal agent(s) is a liable offense.

Misrepresentation of events, documentation, and facts is illegal and unacceptable behavior. Omissions of vital information or the withholding of relevant information is unacceptable and constitutes willful act of perjury under administrative codes and laws.

A State agent of Arizona misstating that they are acting on their own while being prodded by rogue Federal Agent(s) and other State agent(s) is a conspiracy and a violation of rights of the TARGETED individual.

Further it is hard to supply a witness list when one is without a satisfactory discovery from the Commission representatives. It is a right through the Constitution and God for everyone to face their accuser.

Further, I respectfully ask for a dismissal of DOCKET NO. S-20714A-09-0553.

Sincerely,

Christina L. Damitio
