Re: White Horse Ranch Owners Association Inc.
Docket No. W-04161A-09-0471
Compliance Issues

JUL 23 2010

DOCKETED BY 

Dear Sir/Madam:

Decision No. 71712 requires White Horse Ranch Owners Association (WHROA) to "file within 45 days of the effective date of this Decision, with the Commission's Docket Control, as a compliance item in this docket, documentation that the Company has installed or updated an "information" sign at the facility site."

On July 16, 2010, WHROA requested an extension until July 23, 2010 to file, with the Commission's Docket Control, as a compliance item in this docket, documentation that the Company has installed or updated an "information" sign at the facility site. After speaking with ACC Staff in the Compliance Section, WHROA recognizes that a formal extension is not required in this instance and withdraws its written request for an extension.

WHROA has completed the installation of new "information" signs at each of its facility sites. In compliance with Decision No. 71712, WHROA files the attached affidavit of Betty Winn.

Sincerely,

Ray L. Jones

Consultant to White Horse Ranch Owners Association Inc.
