DOCKETED BY 

Dear Ms. Tsosie,

In researching your request for a rehearing from the Arizona Corporation Commission regarding Docket No. E-01345A-09-0049 and Decision No. 71311 dated June 9, 2009 I have found the following. Your request was received by The Arizona Corporation Commission and docketed on November 19, 2009. This date exceeded the allowed 20 days required for a rehearing by the following statute ;

40-253. Application for rehearing; hearing; effect; decision

A. After any final order or decision is made by the commission, any party to the action or proceeding or the attorney general on behalf of the state may apply for a rehearing of any matter determined in the action or proceeding and specified in the application for rehearing within twenty days of entry of the order or decision. Unless otherwise ordered, the filing of such an application does not stay the decision or order of the commission. If the commission does not grant the application within twenty days, it is deemed denied. If the commission grants the application, the commission shall promptly hear the matter and determine it within twenty days after final submission.

Thank you for your inquiry.

Regards,
