50

DOCKET W-01825A-09-0345

ORIGINAL

- 6. How frequently has Lagoon had water service interruptions on its systems from January 1, 2008 to present?

ACC only had one reported outage. The other occurrences, besides the one reported were short term outages – normally about an hour and only affecting small areas of the utility area.

- 10. How much water was provided and over what period of time?

We irrigated 4 times during 2008, approximately 200,000 gallons each time.

- 11. Was the water provided to irrigate the sports field included in the water pumped figure provided by Lagoon for one of its systems for the TY?

Yes it was 08-021
