RE: ADEQ Compliance Status Report
W-02105A-07-0510 Decision 70837

Here is the ADEQ compliance report due for the month of June. We are currently in compliance with ADEQ. We have installed 3 new meters in an ongoing effort to reduce our water loss per the directives of ADEQ and the ACC. There has been a delay in our meter program due to waiting on the arrival of American-made meters. Now that those have arrived, we will be back on schedule replacing the older meters in our system.

Any additional information you need, please contact me anytime, 928-715-6422.

Thank you very much,

L. Tim Clark
