AZ CORP COMMISSION
DOCKET CONTROL

Dear Commissioners,

This letter is to inform you that horrible sewer odor continues unabated around the sewer plant located in our Boulders residential neighborhood. This spring and summer it has been worse than ever. In addition, our residents are treated to the sound of huge vacor trucks racing up and down Boulder Dr. transferring sewage from "troublesome areas" upstream (and/or downstream) and depositing it at the sewer plant. What a system!

We first complained to sewer owner Black Mountain Sewer Corp. (now Liberty Water) in 2002, regarding this absurd public nuisance. Residents of The Boulders have presented their case at two Hearings before the Arizona Corporation Commission, the last on November 18, 2009, at which time an agreement between all relevant parties to decommission and move the sewer plant out of The Boulders was presented. As yet, we have not received an answer.

It is now mid-July, 2010, and we continue to live with the awful stench coming from the plant.

Respectfully Yours,

Marilyn H. Courier
