Reference: **Docket #120** North Valley 230kV Facility Siting Project

The Arizona Corporation Commission
1200 West Washington
Phoenix, AZ 85007-2927

L-00000D-02-0120

To Whom It May Concern:

I am submitting this letter in opposition of the proposed route Gold for the 230kV lines that would parallel the frontage road alignment between Dixileta Drive and Happy Valley Road.

Clearly, these large and obtrusive power lines would have a negative impact on our new community. Please consider an alternative route that will not be so disruptive to the residents of our neighborhood.

Thank you,

Mr. Joel McCarty

Ms. Chandra McCarty
