Subject: North Valley Line Case 120

Dear Chairman Woodall,

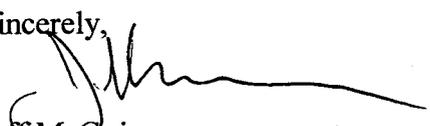

This letter memorializes my previous conversations with you concerning potential conflicts of interest I may have with the North Valley Line Case 120. I understand you made a record of my recusal in this matter at a recent hearing in the case.

As you know, I hold grazing leases from government land management agencies over lands which may be the subject of potential rights of way to be issued by such agencies, should a Certificate of Environmental Compatibility be issued in this case.

Because it is possible that I may have a pecuniary or proprietary interest in the ultimate outcome of this case, I hereby disclose, pursuant to ARS38-501 to 511 such possible interest, and further declare that I will refrain from participating in any manner in the proceedings involved in the North Valley Line Case 120.

Please ensure that a copy of this letter is made a part of the official record in this case.

Sincerely,

Jeff McGuire
