Dear Ms Woodall:

In regards to your chairing the hearings at the Wigwam Resort this past week, you did a super job for both sides..

Would your office have the time to answer some questions?

We are in need of the following:

- 1) Records or statements of the conversation between APS and City of Goodyear as to reference that APS wanted to make City of Goodyear happy with the routes.
- 2) Information from Luke's Air Force Base as to their flight pattern.
- 3) Records from Scott Libby Elementary School as to safety of position of proposed poles etc in various forms of danger to children.
- 4) Any information as to exactly how long can Luke's Air Force base expect to remain.
- 5) Information on additional cost of 2.6 million in reversing lines as two miles @ \$1.3 million per mile.

We do not expect your office to provide the above listed issues only as to where can we make location and obtain on our own.

Please also respond as to if there will be more meetings and will only form of notice be as placed in local newspapers?

Your consideration and cooperation will be greatly appreciated.

Sincerely and God Bless,

Ms Lorraine Donna Boers
