Kay,

W-02355A-09-0275

Docket 09-0275 is the rate case docket for this company. The Company filed in this rate case docket, a financing application (#0000113282, 7/28/10) and an amendment to that financing application (#0000113403, 8/3/10). This was in error, as the financing should have been filed in a new docket. If possible, please assign a new docket number for the financing and move these two items into that new docket. Thank you so much for your help.
