**TRACFONE WIRELESS, INC.'S NOTICE OF EXPANDED LIFELINE OFFERING**

TracFone Wireless, Inc. ("TracFone"), by its undersigned counsel, advises the Commission that TracFone is expanding its SafeLink Wireless® Lifeline offering for both current and new customers. Commencing August 16, 2010, this expanded offering will be available in all states in which TracFone offers Lifeline service. TracFone's Application for Designation as an Eligible Telecommunications Carrier ("ETC"), filed March 24, 2009, remains pending. Upon designation as an ETC by the Commission, TracFone's SafeLink Wireless® Lifeline customers in Arizona will have the option of choosing the Lifeline plans described in this Notice.

Commencing August 16, 2010, TracFone will give its Lifeline customers in all states the option to select from three monthly plans. The plans are as follows:

- 1) 250 free minutes each month, which do not carry over to the next month if unused, with texting available at a rate of one text per minute of airtime; or
- 2) 125 free minutes each month, which carry over to the following month if unused, with texting available at a rate of one text per minute of airtime; or
- 3) 68 free minutes each month, which carry over to the following month if unused, with texting available at a rate of 3 texts per each minute of airtime, plus International Long Distance calling to over 60 destinations.

Under TracFone's expanded SafeLink Wireless® Lifeline options, Lifeline customers in Arizona will be eligible to choose the plan that best suits their specific needs.

TracFone is committed to serving low-income families by affording them the ability to stay connected with current or potential employers, children at home while their parents are at work, health care specialists, vital emergency responders, or relatives in time of personal emergencies. TracFone believes that its expanded Lifeline options will meet the needs of Arizona's low-income households. TracFone is anxious to begin offering its Lifeline service in Arizona and hopes to serve low-income families throughout the State of Arizona in the near future upon being designated as an ETC.

Respectfully submitted,
