RE: IN THE MATTER OF SOLON CORPORATION'S APPLICATION FOR SPECIAL CONTRACT APPROVAL FOR A SOLAR SERVICES AGREEMENT (DOCKET NO. E-20729A-10-0199)

On May 14, 2010, SOLON Corporation ("SOLON") filed an application for Special Contract Approval for a Solar Services Agreement ("SSA"). Commission Decision No. 71795 addressed an application by SolarCity Corporation ("SolarCity") seeking an adjudication that it was not acting as a public service corporation when it provides solar services to Arizona schools, governments, and non-profit entities by means of an SSA. In Decision No. 71795, the Commission found that when SolarCity provides services to schools, governments, or other non-profit entities pursuant to an SSA, it was not acting as a public service corporation.

The SOLON SSA also includes installation of solar facilities at a customer's premises, service through an SSA similar to SolarCity's SSA, and service provided to non-profits, schools, or governments. In light of Commission Decision No. 71795, Staff recommends that the Commission issue an order closing the docket.
