**DELETE:** "In light of the foregoing, Staff recommends that Navopache complete installation of a permanent oil containment structure at the Coronado transformer by December 31, 2010."

**INSERT** "Navopache is in negotiations with the Salt River Project regarding the ownership, maintenance and location of its transformer within the Coronado Generation Station. The use of loan proceeds approved herein is for lawful purposes within Navopache's corporate powers, is compatible with the public interest, with sound financial practices, and with the proper performance by Navopache of service as a public service corporation, and will not impair Navopache's ability to perform that service.
