RE: Arizona Public Service Company 2010 RES Implementation Plan
Docket No. E-01345A-09-0338

Pursuant to Decision No. 71459, Arizona Public Service Company ("APS") was ordered as follows:

Arizona Public Service Company shall participate in the creation of a new "Go Solar Arizona" website, and Arizona Public Service Company shall seek the participation of all ACC-regulated utilities for the purpose of joint operation of the website. The website will provide Arizonans at a minimum information regarding the availability of all residential solar incentives, including utility rebates offered through the REST, and state and federal tax credits; information about the RES; information regarding the status of Arizona Public Service Company in meeting the RES; information regarding the location, by postal zip code, of residential and commercial and utility scale systems statewide, and any "solar calculator" that is created by Arizona Public Service Company.

On September 1, 2010, the Arizona Corporation Commission ("ACC") launched the Arizona Goes Solar website (www.arizonagoessolar.org). The Arizona Goes Solar website was created in collaboration with the ACC, APS and the eleven other energy providers in the state.
