AZ CORP COMMISSION  
DOCUMENT CONTROL

CC: Brian C. McNeil, Executive Secretary

Attached is a proposed Order to Cease and Desist, Order of Restitution, Order for Administrative Penalties and Consent to Same ("Order"), fully executed by Respondents Wendell T. ("Ted") Decker and Oxford Development, LLC. ("Respondents"). Respondents have consented to entry of the proposed Order, finding Securities Act violations including the sale of unregistered and non-exempt securities, by unregistered dealers and salesmen, and fraud in the offer and sale of securities.

From in or around 1995 through 1999, Respondents offered and sold unregistered securities in the form of promissory notes within and from Arizona. The investors' funds were to be used for interim financing for the development of an outlet mall in Dacono, Colorado.

On December 28, 2000, the Securities Division ("Division") filed a Notice of Opportunity for Hearing Regarding Proposed Order to Cease and Desist, for Restitution, for Administrative Penalties and for Other Affirmative Action, alleging that Respondents engaged in the sale of unregistered securities, by unregistered dealers or salesmen, and securities fraud, in violation of A.R.S. §§ 44-1841, 44-1842 and 44-1991.

Respondents have consented to an Order of restitution in the amount of \$5,286,160, plus interest from the date of the investments, and administrative penalties in the amount of \$50,000. In addition, Respondents have agreed not to apply for any registration as a securities salesman or dealer or licensure as an investment adviser or investment adviser representative in Arizona for at least five years and until all restitution and penalties are paid in accordance with the Order.

DECISION NO. \_\_\_\_\_

**ORDER TO CEASE AND DESIST,  
ORDER OF RESTITUTION, ORDER  
FOR ADMINISTRATIVE PENALTIES  
AND CONSENT TO SAME  
BY: RESPONDENTS  
WENDELL T. DECKER, JR.,  
OXFORD DEVELOPMENT, L.L.C.  
CNT FAMILY FUN OUTLETS, INC.**

1           4.       OXFORD is an Arizona limited liability company organized on March 24, 1993. Its  
2 principal place of business is 5249 North Adobe Circle, Tucson, Arizona, 85750. At all pertinent  
3 times, OXFORD is the recorded owner of grassland property, which was to be the site for an outlet  
4 mall (the Dacono Project property). The Dacono Project property was represented as collateral for  
5 most of the Notes issued to investors. OXFORD is signatory to the Notes, through its managing  
6 member DECKER.

7           5.       CNT is a Nevada corporation incorporated on June 19, 1996. DECKER is its  
8 President and Director. STEDMAN is its Secretary/Treasurer and Director. Its resident agent is  
9 located at One East First Street, Reno, Nevada, 89501. CNT is signatory to the Notes, through its  
10 president DECKER.

11          6.       In approximately 1993, STEDMAN and DECKER agreed that PROFUTURA was to  
12 contribute funds in the amount of \$650,000 to \$1,000,000 to OXFORD in exchange for an equity  
13 interest in the Dacono Project.

14          7.       In approximately March 1996, after the project owners had exhausted their personal  
15 sources of funds and were still seeking construction financing, DECKER and STEDMAN approached  
16 KEITH B. "SKIP" DAVIS (DAVIS) to use the Notes to raise \$600,000 from private investors for  
17 interim financing to keep the project moving until the project owners could close on a construction  
18 loan in late 1996.

19          8.       In or around July 1996, DAVIS approached CHARLES W. TESTINO, JR.  
20 (TESTINO) to assist in soliciting private investor funds for the Dacono Project to keep the project  
21 "alive" until the principals could secure funding.

22          9.       The principals of the project, DECKER and STEDMAN, authorized DAVIS and  
23 TESTINO to use the Notes to raise funds from private investors, and agreed to pay commissions of  
24 10% of all investor funds secured, and an equity interest in the project.

25          10.       Most, but not all, of the Notes were to be secured by deeds of trust filed in Weld  
26 County on the Dacono Project property described as follows:

1 A tract of land located in the South Half (S1/2) of Section Fourteen (14),  
 2 Township One (1) North, Range Sixty-eight (68) West of the Sixth (6<sup>th</sup>)  
 3 Principal Meridian, County of Weld, State of Colorado, being more  
 particularly described as follows:

4 Considering the South line of the Southwest Quarter (SW/4) of said Section  
 5 14 as bearing North 88°57'30" East from a 3 ¼" aluminum cap at the  
 6 Southwest corner of said Section 14 to a 3 ¼" aluminum cap at the South  
 Quarter corner of said Section 14 and with all bearings contained herein  
 relative thereto:

7 Commencing at the Southwest corner of said Section 14; thence along said  
 8 South line, North 88°57'30" East, 440.10 feet; thence, North 01°02'30"  
 West, 30.00 feet to the POINT OF BEGINNING, said point being on the  
 East line of Interstate 25;

9 thence along said East line the following 3 courses, North 79°41'00" West,  
 10 203.10 feet; thence, North 08°14'30" West, 943.60 feet; thence, North  
 00°17'30" East, 914.78 feet to a point on the South right-of-way line of the  
 11 Union Pacific Railroad Company;

12 thence, along said South right-of-way line the following 6 courses, South  
 78°47'56" East, 165.34 feet to a point on a curve concave to the North  
 13 having a central angle of 11°44'53", a radius of 1886.98 feet and the chord  
 of which bears South 84°40'23" East, 386.23 feet; thence, along the arc of  
 14 said curve 386.91 feet; thence, North 89°27'11" East, 467.86 feet to a point  
 on a curve concave to the Southwest having a central angle of 54°53'25", a  
 15 radius of 1839.60 feet and the chord of which bears South 63°06'07" East,  
 16 1695.74 feet; thence, along the arc of said curve 1762.37 feet; thence, South  
 35°39'24" East, 674.84 feet to a point on a curve concave to the Northeast  
 17 having a central angle of 11°56'40", a radius of 2902.76 feet and the chord  
 of which bears South 41°37'44" East, 604.04 feet; thence along the arc of  
 said curve 605.14 feet to a point on the North line of County Road 8;

18 thence along said North line, South 88°57'03" West, 788.41 feet; thence  
 19 continuing along said North line, South 88°57'30" West, 2203.18 feet to the  
 Point of Beginning.

20 11. DECKER and STEDMAN's plan was that STEDMAN would sign all of the Notes as  
 21 "Maker" and be personally liable to investors; the borrowed funds would be transferred to  
 22 PROFUTURA to loan to OXFORD to cover costs necessary to obtain construction financing for the  
 23 project; OXFORD would pledge the Dacono Project property as security for most, but not all, of the  
 24 Notes and would pay STEDMAN's obligations to investors, including the interest on the Notes; and  
 25 DECKER would determine what portions of the Dacono Project property would be used to secure  
 26 most, but not all, of the Notes.

1           12.     From approximately January 1995 through December 1999, RESPONDENTS issued  
2 approximately 124 Notes to approximately 110 private investors, raising approximately \$5,286,160  
3 from private investors.

4           13.     Investors were told that their funds were to be used for interim financing until  
5 construction financing was in place to develop a project described as the Dacono Factory Outlet  
6 Stores or the Dacono Factory Outlet Mall and Sports Arena, and that their Notes would be paid upon  
7 the due date or at the close of the construction financing.

8           14.     Up until around April 1999, Notes sold to private investors were titled  
9 "PROMISSORY NOTE SECURED BY DEED OF TRUST," and stated that the Notes and any  
10 renewal or extension of the Notes were secured by a percent of the undivided interest in a deed of  
11 trust on the Dacono Project property owned by OXFORD. In fact, from the inception of the project to  
12 date, not all of the private investors who received notes described as "secured by deed of trust" were  
13 beneficiaries of any recorded interests in the Dacono Project property.

14           15.     As part of the paperwork for the Notes, investors were required to sign form letters  
15 addressed to STEDMAN, which the promoters called "Big Boy Letters." The letters stated that the  
16 investors were accredited investors, defined as investors whose net worth was over \$1,000,000, or  
17 whose income was at least \$200,000 for the two years prior to investment.

18           16.     The interest rates on most of the Notes varied from 15% to 20% per annum. From  
19 1995 through around September 1997, the term of the Notes was one year. Because obtaining  
20 construction financing was delayed, in or around September 1997, the term of most of the Notes was  
21 reduced to 90 days, and existing Notes, including interest, were rolled over or renewed at the end of  
22 their terms. RESPONDENTS continued to attempt to obtain construction financing and believed, and  
23 told investors, that such financing would be in place within a short period of time.

24           17.     DECKER offered DAVIS 10% commissions on rollovers, and TESTINO was to be  
25 paid 5% commissions, for their efforts to keep investors, pending construction financing. By August  
26 2000, some of the Notes had been rolled over eighteen times.

1           18.     In December 1998, one investor protested that the deed of trust that was supposed to  
2 secure his Note was never recorded. RESPONDENTS continued to sell the Notes to new private  
3 investors. In or around April 1999, RESPONDENTS started to offer and sell "unsecured" Notes to  
4 new private investors.

5           19.     According to OXFORD's accounting records, the total principal amount due on  
6 outstanding Notes issued to private investors was approximately \$5,002,082 on or about May 31,  
7 2000. At that time, the total due including interest on those notes was approximately \$22,166,000.

8           20.     From 1993 to this date, DECKER continuously has attempted to obtain construction  
9 financing for the Dacono Project, dealing with a number of prospective lenders.

10          21.     DECKER and STEDMAN secured tax benefits for the Dacono Project through a local  
11 election in Colorado. The tax benefits that were approved by the election would increase the value of  
12 the Dacono Project property, if the project was constructed within a certain time period.

13          22.     In connection with the offer or sale of securities within or from Arizona,  
14 RESPONDENTS directly or indirectly made untrue statements of material fact or omitted to state  
15 material facts which were necessary in order to make the statements made not misleading in light of  
16 the circumstances under which they were made. RESPONDENTS' conduct includes, but is not  
17 limited to, the following:

- 18           a) Representing that the investment was a short-term loan and investors would be paid in  
19 full at the close of that loan, when in fact there were a series of construction loan  
20 letters of interest and commitment letters that never materialized and, to date, the  
21 principals have not succeeded in negotiating construction financing for the project.
- 22           b) Representing until at least April 1999, that the Notes, and any extensions, renewals or  
23 rollovers of the Notes, were secured by a recorded interest in a deed of trust on a  
24 portion of the Dacono Project property located in Weld County, Colorado and owned  
25 by OXFORD and that the total of all loans secured by Lot 6 would not exceed one  
26 million dollars. In fact, not all of the original investors in 1996 and early 1997, and

1 none of the new investors in 1998 and 1999 were named as beneficiaries on recorded  
2 deeds of trust, the total of all loans misrepresented as secured by Lot 6 was  
3 substantially in excess of one million dollars, and the property that was supposed to be  
4 pledged to private investors was utilized instead as security to obtain financing from  
5 institutional "bridge" lenders.

6 c) Representing that investor funds were to be used for interim financing. Specifically,  
7 investor funds were used primarily for attorney fees and loan fees for failed funding  
8 attempts, attempts to obtain tax benefits for the future owners of the project,  
9 redeeming prior investors' defaulted Notes, interest payments to early investors with  
10 secured loans, profits to bridge lenders, DECKER's living expenses, and DECKER's  
11 and STEDMAN's travel expenses.

12 d) Failing to disclose the risks involved with this development project, specifically, the  
13 uncertainty of getting construction financing, the repeated failed attempts to obtain  
14 construction financing and bond funding, the costs of attempts to obtain financing, and  
15 STEDMAN's inability to repay the Notes, if construction financing was not secured.

16 e) Failing to disclose to new investors that earlier investors were forced to accept  
17 rollover Notes because STEDMAN and OXFORD could not pay the Notes when  
18 due, and the total debt owed to prior investors, including interest on defaulted  
19 Notes, and the increasing commissions owed to DAVIS and TESTINO resulting  
20 from rollovers.

21 f) Failing to disclose the background and financial condition of the principals and the  
22 project, including but not limited to the following:

23 (1) That DECKER filed bankruptcy in 1989.

24 (2) That on January 21, 1994, the NASD censured STEDMAN, barred  
25 STEDMAN from associating with any NASD member in any capacity,  
26 and fined STEDMAN \$20,000, for conduct "inconsistent with just and

1 equitable principles of trade,” because STEDMAN had failed to timely  
2 and fully respond to a request for information from the NASD  
3 concerning a complaint alleging that he had misappropriated \$175,000  
4 from the customer’s account.

5 (3) That TESTINO was terminated on September 15, 1998, by his former  
6 dealer, SunAmerica Securities, Inc. (“SAS”), upon allegations relating  
7 to his sale of these Notes, specifically, that “Without SAS knowledge  
8 or approval, Testino facilitated the lending of money via promissory  
9 notes from a number of individuals to a person who was subsequently  
10 determined by the firm to be subject to an industry bar;” and that  
11 TESTINO was under investigation by the NASD for violations of  
12 NASD Rules as a result of his unauthorized activity.

13 g) Failing to disclose that RESPONDENTS were selling the Notes to investors who  
14 were not accredited investors.

## 15 II.
