3.30 Frontier Digital Phone Nationwide Unlimited Service

(N)

Frontier Digital Phone Nationwide Unlimited Service is a non-distance sensitive product that includes direct dial 1+ outbound service. Pre-subscription of the primary line to Frontier Communications of America, Inc. (FCA) is required to subscribe to Frontier Choices. This product is only available in conjunction with the Frontier Digital Phone Nationwide Unlimited Service plan from FCA's Domestic Price List. This plan is available to customers of local exchange companies (LEC) with whom the carrier has a billing and collections contract. The Customer must subscribe to the Frontier Digital Phone Nationwide Unlimited Service local service product offered by that associated LEC and must be on the main billing number on the account in order to be eligible for the Frontier Digital Phone Nationwide Unlimited Service option.

3.30.1 Rates and Charges

Frontier Digital Phone Nationwide Unlimited Service calls are non-distance sensitive, flat-rated with the following rating periods:

Monday – Friday		Saturday & Sunday
D= Day	8:00 AM - 4:59PM	N = Night
E= Evening	5:00 PM - 11:59PM	12:00 AM Saturday through 11:59 PM
N= Night	12:00 AM - 7:59AM	on Sunday.

3.30.2 Usage Charges

With the Frontier Digital Phone Nationwide Unlimited Service option, unlimited intrastate usage is available only on the main billing number on the account. All calls that do not qualify for unlimited calling are billed in one-minute increments with a minimum billing of one minute per call. Only one Frontier plan is to be on the account for all lines. Frontier Digital Phone Nationwide Unlimited Service long distance provides unlimited minutes of direct dialed 1+ intrastate calling for residential voice service only. The unlimited minutes of long distance service do not include usage for calls to 900 numbers, long distance directory assistance, or operator services.

Frontier Digital Phone Nationwide Unlimited Service is offered to the residential user, for the Customer's personal, residential, non-business and non-professional use. Using Frontier Digital Phone Nationwide Unlimited Service is prohibited for any commercial or governmental activities, for profit or non-profit, including but not limited to home office, business, sales, telecommuting, telemarketing, continuous autodialing, fax broadcast, fax blasting, accessing the Internet with a long distance dial-up number, resale or transfer of the Frontier Digital Phone Nationwide Unlimited Service or any other activity that would be inconsistent with normal residential voice applications and usage patterns. If Customer's usage exceeds 3,000 minutes of use in any month, Customer will be presumed to be in violation of the applicable restrictions and it shall be the responsibility of Customer to demonstrate to the Company that Customer's use was not a violation of any of the restrictions. Frontier may suspend, restrict or cancel the Customer's service, subject to applicable notice requirements.

3.30.2 Usage Charges Cont'd

If it is determined that the usage on the Frontier Digital Phone Nationwide Unlimited Service is not consistent with residential voice applications, exceeds 3,000 minutes of use in any month, or is otherwise prohibited as specified in this tariff (such as long distance dial-up internet calls), Customer shall forfeit eligibility for rates under this plan and will be moved to a usage-sensitive FCA plan that charges for all long distance calls or, where systems permit, charge a 10 cent per minute rate for non-voice long distance calls. Additional restrictions may apply as provided elsewhere in this tariff.

The Monthly Recurring Charge (MRC) for Frontier Digital Phone Nationwide Unlimited Service is billed in advance and can be found in FCA's Interstate Domestic Price List. If a new customer to Frontier Digital Phone Nationwide Unlimited Service enrolls mid-billing cycle, the MRC will be prorated.

On the invoice there will be no individual call detail for usage that is associated with the unlimited direct dialed calls that are included in this plan. If the customer changes their long distance pre-subscription on their main line without any instruction as to what to do regarding the additional phone lines, the Frontier Digital Phone Nationwide Unlimited Service plan option will automatically be removed from the main line and thus the customers account. Additional phone lines are available on this plan. Each additional line will be billed a-per minute domestic rate defined in this tariff. All calls are billed in one-minute increments with a minimum billing of one minute per call. If a customer subsequently does not pre-subscribe their additional line(s) to FCA but continues to have service on the main billing number on the account provided by FCA, casual calling rates on the additional line(s) will apply.

Calling Cards and 8xx inbound products may be used in conjunction with Frontier Digital Phone Nationwide Unlimited Service, where available.
