RE: Docket number WS-01303A-02-0870, Arizona-American Water Company Rate Increase

To Whom It May Concern:

I am a resident of Anthem, Arizona, and as such, a subscriber to the services of Arizona-American Water Company. It has recently come to my attention that you are looking into the pending rate increase which has been requested by Arizona-American Water Company.

I am contacting you today to express my concern over this rate increase. Based on the information I have received, I am concerned that the profit margin requested is not reasonable. In addition, I would like to request close scrutiny of the operating costs to winnow out frivolous and inappropriate items.

Thank you in advance for protecting my interests and handling this matter to the best of your ability.

Sincerely,

Maximilian & Kimberly Plotzeneder

RE: Docket number WS-01303A-02-0870, Arizona-American Water Company Rate Increase

To Whom It May Concern:

I am a resident of Anthem, Arizona, and as such, a subscriber to the services of Arizona-American Water Company. It has recently come to my attention that you are looking into the pending rate increase which has been requested by Arizona-American Water Company (AZAWC).

I am contacting you today to express my concern over this rate increase. Based on the information I have received, I am concerned that the rate increase requested is not reasonable. My specific concerns are as follows:

1. A substantial portion of this increase is to offset new "infrastructure" costs. It is not clear to me what those costs include, and I am concerned that some of the costs do not directly relate to the water and sewer infrastructure of Anthem.
2. Based on comments by AZAWC in the local newspapers, part of the rate increase is to offset past losses due to their use of overly optimistic growth forecasts for Anthem in determining their initial rates. Actual growth rates for Anthem have exceeded initial Del Webb forecasts, and build-out is scheduled much earlier than originally anticipated. These conditions should lead to greater PROFITS for AZAWC, not losses. Therefore, I have serious doubts that the real cause of AZAWC's losses has much to do with the growth forecasts.
3. There were also comments by AZAWC in these newspapers that rates could be REDUCED in the future depending on the actual growth of Anthem. I would certainly like to see a very strong commitment to future rate reduction as a condition of any current rate increase, including more specific conditions clearly spelled out by AZAWC and ACC.
4. Finally, based on comments by AZAWC in the local newspapers, it appears that AZAWC is requesting a relatively high profit margin in this rate increase.

Thank you in advance for protecting my interests and handling this matter to the best of your ability.

Sincerely,

Roger G. Willis

Arizona Corporation Commission Consumer Inquiry and/or Complaint Form

This form may be completed electronically, printed and mailed to:
Arizona Corporation Commission, Consumer Services Section, 1200 W. Washington St.
Phoenix, Arizona 85007; or

You may save the completed form and e-mail it as an attachment to: *-- you cannot do this globe won't allow it*
mailmaster@cc.state.az.us

Step 1

Before submitting a complaint to the ACC please visit this link to determine if the Commission regulates this service. If the company is regulated, please contact the company first. If you have already contacted your utility and are not satisfied with its response, please fill out this form and return the address above.

Step 2

YOUR NAME ALan H. Miller	DATE 2/17/03
ADDRESS ██████████ Rolling Green Way Anthem, AZ 85086-1152	PHONE (HOME) (██████████)
NAME THAT APPEARS ON THE BILL Alan H. Miller	ALTERNATE PHONE (DAYTIME) ██████████
NAME OF THE UTILITY COMPANY Arizona American Water	ACCOUNT NUMBER 23-0074467-5
E-MAIL ADDRESS ██████████	CHECK HERE TO CONFIRM THAT YOU HAVE ALREADY CONTACTED THE UTILITY (SEE STEP 1) <input checked="" type="checkbox"/>

Step 3

PLEASE SUMMARIZE YOUR COMPLAINT OR INQUIRY:

Reference; AZAM application for rate increase.
AZAM claims (as best we ratepayers can understand) that they have to repay some portion of the infrastructure costs (pipelines, water and wastewater facilities, etc) to Del Webb and that is why the FEE (not really a rate since it is "before water") increase. What that means is our FEES will go up from \$48.00/mo to \$70.00 with no water use.

This seems to us to be exhorbitant and a disclosure that was never made in the public report for Anthem. Can you help us determine the reality of this request? Is this the second coming of an ENRON-like affair?

Step 4

Please include copies of any documentation, such as bills, that our office would need to provide a response.
