Re: Johnson Utilities Company CC&N Application Docket No. WS-02987A-99-0583

Dear Ms. Cole:

On October 15, 1999, Johnson Utilities Company filed an extension Application to its existing Certificate of Convenience and Necessity.

Due to the Company's need to revise the legal description contained in that application to include additional parcels, we understand that it will not be possible for the Commission Staff to process that Application within the time frame contemplated by Rule R14-2-411(c). Therefore, the Company hereby waives the requirement of the Rule. We will submit the additional legal description in the near future.

Thank you with your assistance in this matter.

Sincerely,

Richard L. Sallquist
