DOCKETED BY [Signature]

RE: JOHNSON UTILITIES COMPANY - APPLICATION FOR AN EXTENSION OF ITS
CERTIFICATE OF CONVENIENCE AND NECESSITY (CC&N)
DOCKET NUMBER W-02987A-99-0583

Dear Messrs. Campbell and Harris:

Staff has reviewed the pending application and amended applications pertaining to this docket and is requesting additional information in order to continue its processing of the filing. Please submit the requested information to staff by August 1, 2000. The following information is requested:

- 1) For both water and wastewater, describe Johnson's existing water and wastewater system(s)
- 2) Submit a water use and wastewater use data sheet for each system
- 3) Indicate which requested CC&N areas will be served by each existing water and wastewater system
- 4) Provide an itemized list and cost breakdown of the water and wastewater plant facilities to be constructed to serve each requested CC&N area
- 5) Please submit updated financial information
- 6) Has Johnson Utilities received a city/county franchise and if not, when will it?
- 7) Has Johnson Utilities received the ADEQ Approval to Construct and if not, when will it?

May 12, 2000

Page 2

- 8) Has Johnson Utilities received a Assured Water Supply designation from ADWR and if not, when will it?
- 9) Please provide staff the estimate number of customers, by class, to be served in each of the first 5 years of operation (residential/commercial/industrial/irrigation/other)
- 10) Please provide staff the projected annual water consumption, in gallons, for each of the customer classes for each of the first 5 years of operation (residential/commercial/industrial/irrigation/other)
- 11) Please provide staff the total estimated annual operating revenue for each of the first 5 years of operation
- 12) Please provide staff the total estimated annual operating expenses for each of the first 5 years of operation
- 13) Please provide staff a detailed itemized description of each request for service in each area requested by Johnson (ex. What developer or who is requesting service – letters of request, how many homes, when will development start and end, etc.)

Should you have any questions or concerns, please contact me at 602-542-6935.

Sincerely,

Mark A. DiNunzio
