COMMONWEALTH'S APPLICATION FOR LEAVE TO INTERVENE

Commonwealth Energy Corporation ("Commonwealth"), through undersigned counsel, and pursuant to A.A.C. Rule 14-3-105, moves to intervene in the matter captioned above. In support of this Motion, Commonwealth states as follows:

1. Commonwealth is a California corporation active in the marketing of competitive electric services in California and desires to market competitive electric services in Arizona.
2. Commonwealth has intervened in the Arizona Electric Competition proceeding, Docket No. RE-00000C-94-0165.
3. Commonwealth will be directly and substantially affected by the decisions made in this proceeding because Commonwealth anticipates becoming an electric service provider in Arizona.
4. Commonwealth has invested considerable time and resources in the development of the California electric marketplace and it desires to sell similar competitive electric services in Arizona. Therefore, Commonwealth has a vested interest as to how electric service providers are treated under the Electric Competition Rules and in the ability of electric service providers to compete in Arizona.

1 For the reasons presented, Commonwealth respectfully requests that this Motion to
2 Intervene be granted.

3 RESPECTFULLY submitted this 17th day of June, 1999.
