**Subject:** water consolidation

Dear Mr. Newman,

We are on a fixed income and are very concerned for our future. We hate the idea of the cost of water going through the roof. The water consolidation proposal is outrageous and will hurt a lot of struggling people.

Sincerely,

Yvonne Henckel

**Subject:** Global Water Rate Case

Mr. Newman,

When it comes time for you to run for re-election, and if you decide to do so, I will gladly cast a vote for whomever is running against you. It is apparent that you favor the corporations and their greedy lust for "more, more, more" rather than the hardworking, law abiding citizen who put you in that chair. Global Water wants a rate increase so that they can continue with their lucrative incomes and bonuses and provide good returns to their shareholders.

Just think for a moment, about all the citizens that took time out of their lives to come before your commission last Wednesday, and how profoundly their lives will be affected by the remarkable rate increases Global Water is requesting. WE HAVE NO OTHER CHOICES.....THEY ARE THE ONLY PROVIDER TO MARICOPA, bad water, bad customer service, and bad business practices .....SUCH A SHAME, SUCH A REMARKABLE SHAME.

**Subject:** CASE NUMBER 09-0079 or 09-0080 Water Rate Increase

Dear AZCC,

Good Afternoon, I mailed in a letter months ago, I have been out of the country for a past couple months and just got back. I understand if my email is late.

But I did want to voice my opinion again, that I am barely surviving right now with getting current bills paid, I have cancelled all services that I can survive without but still barely making it and barely have enough money to feed myself and my family on a monthly basis.

With this Water Rate Increase I am not going to be able to afford any additional increases in my monthly expenditures that I may have to move. It is unfortunate that the littlest increase of the bill will cause a ripple effect of other services not be paid.

Due to these discussions of increasing water rates, I have my house currently on the market For Sale and looking for a less expensive place to live.

Thank you for listening and hope you can help me stay in Maricopa.

Harry Gibson
