Dear Commissioner Kennedy, Chairman and Commission Members,

As Councilmember of the City of Maricopa, I would like to express my gratitude to you for looking out for the best interests of Maricopa with regard to Global Water's proposed rate increase. At a time when so many residents and small businesses are struggling and property values have plummeted, the increase, as proposed, would have dealt a devastating blow to our community. The amendment structured by you and the Commission will allow our neighborhoods to remain aesthetically pleasing for current and future residents.

This has been a long and difficult journey. I am very grateful that you and the Commission heard the residents and homeowners associations. Thank you most sincerely for your effort in structuring an amendment that will help to ease the burden of the Global Water rate increase.

Sincerely,

Marquisha Griffin
Councilmember
City of Maricopa
