Page 12, line 16.5, INSERT New Finding of Fact: "Since Mesa Del Caballo is outside of an Active Management Area, it will not be required to comply with the conservation goals and management practices of the Arizona Department of Water Resources ("ADWR"). In light of the need to conserve groundwater in Arizona, we believe it is reasonable to require Mesa Del Caballo to address conservation and submit for Commission approval, within 120 days of the effective date of this Decision, at least five Best Management Practices ("BMP's") (as outlined in ADWR's Modified Non-Per Capita Conservation Program). The BMPs shall generally follow the template contained on the Commission's website. A maximum of two of these BMP's may come from the "Public awareness/PR or Education and Training" categories of the BMP's. The Company may request cost recovery of actual costs associated with the BMPs implemented in its next rate case."

Page 15, line 3.5, INSERT NEW ORDERING PARAGRAPH:

The BMPs shall generally follow the template contained on the Commission's website. A maximum of two of these BMPs may come from the "Public awareness/PR" or "Education and Training" categories of the BMPs. The Company may request cost recovery of actual costs associated with the BMPs implemented in its next rate case."
