*****OPINION - OPPOSED*****

RE: Docket No. SW-04210A-10-0392

Customer is opposed to the proposed rate increase. Customer states that he has resided in his house for the past four years and in this time his property value has decreased significantly. The customer's only source of income is his Social Security income, which he has received no increase in his monthly benefit. Customer can not afford an increase in his wastewater bill at this time and hopes the Commission will deny the Utility's request.
