RE: Docket No. SW-04210A-10-0392

Customer recently received a notice from the Company indicating that it has requested approval of a rate increase. Customer is calling to inform the Commission of his opposition to the Company's request. Customer states that a 30% increase is unacceptable and that the Company should have increased their rates a little each year to avoid placing such a hardship on customer's all at one time.
