Subject: Anthem Water Rate Case

Mr. Newman:

I suggest that in all good conscious you can not vote to approve the rate increase requested by Arizona American Water. Approval would not be fair and reasonable.

Over 7 years living in Anthem our cost per T-gallons of water has increased 61 % for an average yearly increase of 8.7%. Yearly totals have been:

Year	T-Gallons Used	Total Cost	Cost per T-Gallons
2003	91	\$ 943	\$ 10.36
2004	104	967	9.30
2005	93	920	9.89
2006	119	981	8.24
2007	141	1,021	7.24
2008	110	1,168	10.62
2009	111	1,335	12.03
2010 (10 mo)	56	936	16.71

An additional 70 plus per cent increase is not fair or reasonable.
Will push many residents into financial jeopardy and
Will have a significant negative consequence upon the already
depressed real estate market.

Sincerely,
