Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865;*
Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203, T-03346A-06-0203

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding three (3) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on June 25, 2010. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved three management employees in the Managed Services and Operations organization. In an effort to redeploy the employee within AT&T, the employee retained access to the internal AT&T job search system. One employee was not able to locate another position and thus was laid off, while two employees were removed from surplus status and remain with AT&T. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin *by J.W. permission*
