Re: Decision No. 69680, Docket No. L-00000C-95-0084-00000  
Notice of sign replacement – Phase II to the Cyprus Sierrita Substation

Pursuant to Decision No. 69680 (June 28, 2007) Tucson Electric Power Company (“TEP”) is reporting its annual sign replacement for signs posted, (i) along the public right-of-way providing public notice that the property is the site of a future 138 kV transmission line of the Phase Two corridor; and (ii) signs posted at the site of the future substation. Enclosed are updated photographs of the signs posted along the right-of-way as well as at the future site of the Canoa Ranch Substation. One sign was discovered to be missing and another was found lying on the ground; TEP is the process of replacing them.

If you have any questions regarding the report, please do not hesitate to contact me at (520) 884-3680.

Sincerely,

Jessica Bryne
