SECTION 5 – LOCAL EXCHANGE SERVICE, (CONT'D.)

5.2 Local Exchange Term Services, (Cont'd.)

5.2.1 Corporate Advantage Standard Business Local Exchange Service

Corporate Advantage Standard Business Local Exchange Service provides Corporate Advantage business account Customers with analog, voice-grade telephonic communications channels that can be used to place or receive one call at a time. A Corporate Advantage business account is defined by BullsEye as a multi-location business account that has a main location and account set-up in another state, but has service locations within the state of Arizona. Lines are provided for the connection of Customer-provided wiring, telephone, facsimile machines or other station equipment. Local exchange service lines and trunks are provided on a single party (individual) basis only. No multi-party lines are provided.

An optional per line Hunting feature is available for multi-line Customers which routes a call to the next idle line in a prearranged group when the called line is busy.

A. Flat Rate Service

1. Application of Rates

Customers receive unlimited calling within their local calling area. No measured or message rate usage charges apply to calls placed to or received from areas within the local calling area.

SECTION 5 – LOCAL EXCHANGE SERVICE, (CONT'D.)

5.3 Hunting Line Service

Hunting Service is an optional arrangement available to Customers with two or more individual lines. Where facilities permit, such lines will be arranged so that incoming calls to a busy line will overflow to another line that is not busy. The following types of hunting arrangements are available: series and multiline (basic hunting), circular, and preferential.

5.3.1 Circular Hunt

Circular Hunt is an option that allows for hunting to start at the dialed number and continue in ascending order to the last number in the hunt group. The rates and charges for Circular Hunt are in addition to the rates and charges for Basic Hunting.

5.3.2 Preferential Hunt

Preferential Hunt is an option that enables incoming calls to a specific number within a hunt group to hunt over a unique hunting sequence of lines within the hunting group. The rates and charges for Preferential Hunt are in addition to the rates and charges for Basic Hunting.

5.3.3 Rates

A. Qwest Area

(T)

	<u>Maximum Per Month</u>

SECTION 6 – SUPPLEMENTAL SERVICES, (CONT'D.)

6.4 Busy Line Verification and Interrupt Service

Upon request of a calling party the Company will verify a busy condition on a designated local service line. The operator will determine if the line is clear or in use and report to the calling party. At the request of the Customer, the operator will interrupt the call on the busy line. Emergency Interruption is only permitted in cases where the calling party indicates an emergency exists and requests interruption.

A Verification Charge will apply when:

- a. The operator verifies that the line is busy with a call in progress, or
- b. The operator verifies that the line is available for incoming calls.

Both a Verification Charge and an Emergency Interrupt Charge will apply when the operator verifies that a called number is busy with a call in progress and the Customer requests interruption. The operator will interrupt the call advising the called party of the name of the calling party and the called party will determine whether to accept the interrupt call. Charges will apply whether or not the called party accepts the interruption.

No charge will apply when the calling party advises that the call is to or from an official public emergency agency. Busy Verification and Emergency Interrupt Service is furnished where and to the extent that facilities permit.

The Customer shall identify and save the Company harmless against all claims that may arise from either party to the interrupted call or any person.
