A. Description

The Qwest Unlimited Business Voice calling plan allows a business customer to complete intrastate direct dialed voice calls.

B. Terms and Conditions

1. This plan is provisioned in conjunction with the interstate Qwest Unlimited Business Voice calling plan under which Qwest provides interstate long distance service. This plan is an add-on to the interstate Qwest Unlimited Business Voice calling plan that includes monthly recurring charges, and is available where billing and technical capability exists. All other terms, conditions and customer eligibility under this plan are specified in the QLDC Interstate/International Rates and Services Schedule #1.
2. The Qwest Unlimited Business Voice calling plan is only available to business customers subscribing to retail local exchange service from Qwest and requires provisioning of interstate/interLATA, intrastate/interLATA and intrastate/intraLATA service. All services must be billed by an affiliated Qwest company on the same invoice to subscribe to this offer.
3. Qwest Unlimited Business Voice: Qwest Unlimited Business Voice is only available to business customers subscribing to the Qwest Core Connect 1 offer on the same account. Service is provided on a month-to-month basis, and 1, 2 and 3 year term agreements. In order to be eligible for this offer, customers must have the Qwest Unlimited Business Voice LD calling plan and a qualifying Qwest local exchange service package. The eligible Qwest local exchange service packages are:
 - Qwest Unlimited Business Voice Line
4. Customer may select any combination of Core Connect Unlimited LD (as defined in Section 4.22 of this Tariff) and Qwest Unlimited Business Voice LD not to exceed 10 per account.

B. Terms and Conditions (Cont'd)

5. Certain restrictions apply. The Qwest Unlimited Business Voice calling plan may not be used in conjunction with the following: auto dialers, broadcast fax, long distance Internet access, call center applications including, but not limited to, auto dialers, PBX trunks, ground start line or trunks, ISDN services, foreign exchange services, public telephone services, public access smart-pay phones, analog to digital conversion digital PBX services, WATS services, PBX services, non-square electronic key telephone systems hybrid key telephone systems, predictive calling/dialing systems, automatic outbound dialing systems, any type of automatic call distribution system, or the functional equivalent of any such system listed above. Qwest Unlimited Business Voice calling plan applies only to domestic direct-dialed voice calls. Qwest Unlimited Business Voice Plan is available to business customers that have no more than a total of ten business lines per account, or a business customer on a qualifying Qwest Line Volume Plan. Business customers may select a combination of Qwest Core Connect Unlimited LD, Qwest Core Connect Unlimited Voice Line LD, and Qwest Unlimited Business Voice LD not to exceed 10 per account. A customer may not use this service for connection to data service or for any other use that does not involve a single path person-to-person conversation or voice message. The customer may not use this service to complete multiple simultaneous outgoing calls through use of a LEC-provided feature that provides multiple paths over a single line. The Company may monitor customer's usage to ensure that customer's use of the Qwest Unlimited Business Voice calling plan is consistent with the applicable restrictions. If the Company determines the customer has violated the terms and conditions of the service, the customer's long distance service will be suspended.
6. The term direct dialed voice calls does not include the following types of calls:
 - calls to Internet service providers or other data service providers
 - multi-party conference calls (except when dialed using a toll free number)
 - calls initiated by high volume auto dialers (high volume call centers), PBX, ISDN, FX, PAL, Coin, Payphones, Centrex, WATS, KS, or ACD systems, or the functional equivalent of any such system
 - calls for the purpose of dictation or transcription
 - chat lines
 - intercom calls / monitoring calls
 - Plan does not include 900 number calls, directory assistance, calling cards, or operator services
 - calls not involving person-to-person conversation, with the following exceptions: the answering party (device) provides a voice announcement; the answering party (device) allows the caller to leave a brief voice message.
