Docket Nos. W-01990A-09-0572 and W-01990A-09-0573
Exceptions to Administrative Law Judge recommendations of November 16, 2010

Dear Sirs,

We request that you consider the following exceptions to the November 16, 2010 recommendations:

1. Clarification of date that rates and charges shall be effective for all services provided on or after January 1, 2010. Should the date be 2011. (page 14, lines 15 and 16)
2. We do not feel we need approval of the Arizona Department of Environmental Quality to construct the additional storage capacity. We will get a permit from Pinal County. If we do need approval from ADEQ then if the paragraph is demanding that construction be completed by May 31, 2011, we will not be able to meet this deadline. We request that the date be changed to 12-31-11. (page 15, lines 23 thru 26)

Thank you,

Jere Hansen CPA
